One is ok two is fine three is enough.  
One is ok two is fine three is enough.  
One is ok two is fine three is enough.  
One is ok two is fine three is enough.  
I'm sorry for all you people out there who aren't as  
happy as me.  
Tomorrow they will maybe suddenly seeee.  
One is ok two is fine three is enough.  
One is ok two is fine three is enough  
One is ok two is fine three is enough.  
One is ok two is fine three is enough.  
I saw you sitting in the rain.  
I wonder what I'd do without you.  
Then maybe one is ok two is fine three is enough  
One is ok two is fine three is enough.  
One is ok two is fine three is enough.  
One is ok two is fine three is enough.
