Every time I have a thought, a memory  
Of all the bad things that you did to me  
Everybody talks  
Everyone was shocked  
It nearly broke my heart when I heard  
And it was all wrong, it was all wrong  
Why did you do it?  
Why did you say it all again?  
Why did you do it?  
Why did you say it  
All along?  
Why did you do it?  
Why did you say it?  
I want to know  
Why did you do it?  
Why did you do it?  
Why did you do it  
And say it all again?  
Why did you do it?  
It wasn't about the truth, it wasn't about the lie  
Its just the fact that you made me cry  
You didn't even try, I really want to sigh  
I'm sorry but I have to say goodbye  
Say goodbye  
(Because) you made me cry  
You didn't even know that you made me cry  
(And? Oh) Why did you do it?  
Why did you say it all again?  
Why did you do it?  
Why did you say it?  
All along  
Why did you do it?  
Why did you say it?  
I want to know  
Why did you do it?  
Why did you do it?  
Why did you say it all along?  
Why did you do it?  
Why did you say it all along?  
[repeat]
