False prophets speak empty words of deception
They promise you freedom, but are slaves to
corruption
Scripture is given for reproof and correction
Untaught people are their own destruction

Frontal lobotomy

Those who do not confess Christ has come in the flesh
Or that his blood sacrifice & Grace has saved us from
death
Those who do not abide in the doctrine of Christ
Don't receive them or ever take part in their

Frontal lobotomy

Check it, we did
Bereans follow our step
And avoid the trap of the deceivers
Follow the Word, and come to battle

Don't be deceived, by philosophical reason
Out of empty deceit or man made tradition
Live not by the world but according to Christ
We're not the ones who are trying to give you

A frontal lobotomy
