You're always ending up at the bottom  
Oh you're thinking it over, you're thinking it over  
The life you've given up left you hollow  
Oh it's too late to start over

Don't you know your life's your own mistake?  
Don't blame me

You are the youth of yesterday, sorry  
Don't take it out on me  
We are the youth of a new day, sorry  
Don't take it out  
You stumbled through the land of lost and broken  
dreams  
Can't you see you're bottled up beyond belief?  
Don't blame me, don't blame me

Another day has gone, time for healing  
Oh you're thinking it over, you're thinking it over  
You live the past away now it's revealing  
Oh it's too late to start over

Don't you know your life's your own mistake?  
Don't blame me

You are the youth of yesterday, sorry  
Don't take it out on me  
We are the youth of a new day, sorry  
Don't take it out  
You stumbled through the land of lost and broken  
dreams  
Can't you see you're bottled up beyond belief?  
Don't blame me, don't blame me

You are the youth of yesterday, sorry  
I feel sorry for you, sorry for you  
'Cause this is the life you've wasted  
And you are the one to blame for it  
Don't take it out on me  
'Cause you are the one to blame for it

You are the youth of yesterday, sorry  
Don't take it out on me  
We are the youth of a new day, sorry  
Don't take it out  
You stumbled through the land of lost and broken  
dreams  
Can't you see you're bottled up beyond belief?  
Don't blame me, don't blame me
