I'm a guy who can't be trusted
Some day I'll be busted with that other girl
Yes we met a long time ago
Still there's things you don't know
Am I all yours?
I like you, but I need more

Yes I got another girlfriend
Oh yeah, I've got two girlfriends
Don't cry, it doesn't mean it's the end
And you're my girlfriend too
You're my girlfriend too

Guys know one girl's just not enough
But juggling two is so tough
What's a boy to do?
Who wants the same old thing every night?
Yes, I need change in my life
Give it more thought
Don't try it cause you'll get caught

Yes I got another girlfriend
Oh yeah, I've got two girlfriends
Don't cry, it doesn't mean it's the end
And you're my girlfriend too
You're my girlfriend too

You're not my only one, oh...

Don't you worry about my past
Yes, I'm sure this time will last
Please believe in me
No, I won't try to pull any stunts,
Except two girls in bed at once
Don't you trust me?
I've got two, but I want three

Yes I got another girlfriend
Oh yeah, I've got two girlfriends
Don't cry, it doesn't mean it's the end
And you're my girlfriend too

You're my girlfriend too
Yes I got another girlfriend
Oh yeah, I've got two girlfriends
Don't cry, it doesn't mean it's the end
And you're my girlfriend too
You're my girlfriend too
Ooh, you're my girlfriend too
I've got two girlfriends, I've got two girlfriends
I've got two girlfriends, you're my girlfriend too
Ooh, you're my girlfriend too
