She was out of reach the moment I met her
Now that she's with me I always forget her
That's just a part of me that I can't change for anything
Whatever happens now you know that I will always be

Waiting here at home
And I'm waiting 'til you come

I just want the things that I know I can't reach
When the sun shows through it's not enough for me
Maybe it's just that I'm not satisfied with anything
Whatever happens now, you know that I will always be

Waiting here at home
And I'm waiting 'til you come
And I can't stop 'til we're done
I only want you when you're gone

Never settle for less
You won't believe the mess
No this can never hedge
Can't impede happiness
Don't say I've never tried
It's something that I can't find
Find what I'm looking for
Always for

Waiting here at home
And I'm waiting 'til you come
And I can't stop 'til we're done
I only want you when you're gone

Waiting here at home
And I'm waiting 'til you come
And I can't stop 'til we're done
I only want you when you're gone
Waiting here at home (Waiting here at home)
Waiting 'til you come (Waiting 'til you come)
Can't stop 'til we're done (Can't stop 'til we're done)
I only want you when you're gone
