Chorus:

Bentleys, bitches, bourbon, swervin'
Bentleys, bitches, bourbon, swervin'
Bentleys, bitches, bourbon, swervin'
Swervin', swervin', swervin'
What you're doing?
Swervin'
What you're doing?
Swervin'
Ha, swervin', I'm swervin'
Swervin', swervin', swervin'

You must be out your mother fucking mind, nigger
Swervin' on my mother fucker mind, nigger
I deserve what I get it, because I grind, nigger
I grind, nigger, I grind, nigger!
So real I had to say it three times, nigger
I'm looking for this money like a blind, nigger!
..I never say shit like a mine, nigger
The car big, the chain small, but it's flawless
I not fly, I'm in orbit, often
I shine like a sunny day out California
But get hotter than the deserts of Arizona
I keep choppers, but I can't explain the paranoia!
Small circles caused the snitched niggers paranoia
I bring California, now you're ,
I smell like money, but now I wanna loan you

Chorus:

Bentleys, bitches, bourbon, swervin'
Bentleys, bitches, bourbon, swervin'
Bentleys, bitches, bourbon, swervin'
Swervin', swervin', swervin'

Swervin'
What you're doing?
