Far Back In Time Where It All Began  
God Sowed His Word Into Mankind  
Some Let It Grow Some Let It Fall  
Only Believing In Their Leaders And Kings  
As Time Grew Old Humanity Grew Cold  
Leaders Used And Seduced In The Name Of The Lord  
All Forgetting Where It Had Begun  
Forgetting The Power That Was Found  
If I Forget You Jerusalem  
May My Right Hand Forget Its Skills  
May My Tongue Cling To The Roof Of My Mouth  
Those Claimed To Be Wise  
Those Who Lead The Heard  
Will Bow Before The King Of The Jews  
So Death Couldn't Hold The Son Of Man  
And You Abuse His Name For Profits For Yourselves  
You Mis-Guided Men With Hearts Of Stone  
Soon You Will Answer For Your Actions  
See Him Come Like The Wind  
With The Word In His Hand  
Dungeons Deep And Mountains High  
The Father's Will Invades These Barren Lands  
Arise - King Of The Jews
