Then the angel showed me  
The river of the water of life  
As clear as crystal,  
Flowing from the throne of god  
And of the lamb down the middle  
Of the great street of the city  
On each side of the river  
Stood the tree of life  
Bearing twelve crops of fruit  
Yielding its fruit every month  
And the leaves of the tree  
Are for the healing of the nations  
No longer will there be any curse  
The throne of god  
And the lamb  
Will be in the city  
And his servants will serve him  
They will see his face  
And his name  
Will be on their foreheads  
There will be no more night  
They will not  
Need the light of a lamp  
Or the light of the sun  
For the lord  
God will give them light  
And they will reign  
Forever and ever
