I've done my share of gassing jews  
I wanna go someplace where I can lynch some spooks  
I'll shoot any nigger than I can find  
It's the only thing I know that gives me pace of mind  
I wanna go, I wanna go, I wanna go... coon bashin' (2x)  
Do you smell the soke that's all around?  
The V.J. hate possee just burned the ghetto down  
If any spooks happen to survive  
I'll beat their heads in with a tire iron  
I wanna go, I wanna go, I wanna go... coon bashin' (2x)  
Cop #1: Get 'em up  
Nigger: I ain't runnin' from you pigs no more- you've  
had your fun, now split.  
Cop #2: Cuff the bastard  
Nigger: What's the bust for?  
Cop #2: We have some unfinished business, boy  
Nigger: What business?  
Cop #2: Just a little matter of you kicking the shit out of  
a white man.  
Nigger: Fuck you both! Fuckin pigs!  
(Sounds of nigger learning a lesson)  
Cop #1: Niggers sure bleed...  
Beating the fuck out of anyone who's not white  
For killing niggers, every night is the right night  
He's almost dead, he's starting to squeal  
I'll club his head like a baby seal  
The fucking coons thought they could take me  
The cops are white and won't try to stop me  
Another night of going coon bashin'...  
I'll never stop until their dead  
Keep on clubbing away at their ugly nigger heads  
I laugh so hard. fall off my feet, yeah!  
This is the only thing I want, I want...  
I wanna go, I wanna go... coon bashin' (2x)  
It's all I want, it's all I crave  
I just want to go coon bashin'  
Fuckin' niggers
