"Fetch The Rope"

You raped a white girl, you're gonna die
We'll hang you from a tree twenty feet high
You're turning white with fear 'cause you've got no
hope
You'll be swinging from the branches when we fetch
the rope

Spook, spade, coon, boy, slave, jig, ape, nigger!
Rope, rope- go and fetch the rope
Rope, rope- fetch the fucking rope (2x)

Another dead nigger is no big thing
We will stand there and spit as we watch you swing
You're an ugly fucking nigger, that's the reason why
You're a subhuman mongrel and you're gonna die

Spook, spade, coon, boy, slave, jig, ape, nigger
Rope, rope- go and fetch the rope
Rope, rope- fetch the fucking rope (2x)
Spook, Die
