We came over here and took away your nation,
We killed half of you and put the rest in reservations,
You had pride and tradition until we took it away,
You should be thankful that we didn't turn you into
slaves

Indians are Red Nigger Skunks
Indians are Red Nigger Skunks- you suck (x2)

You used to cut us down with arrows and axes,
Now you have free land you don't pay taxes,
It's politically correct to care about you,
Must be a plot cooked up by some jew.

Indians are Red Nigger Skunks
Indians are Red Nigger Skunks- you suck (x2)

I'm gonna burn your teepee
I'm gonna burn your casino
I'm gonna burn your reservation
I'm gonna shove your peace pipe
up your fucking ass

Indians are Red Nigger Skunks
Indians are Red Nigger Skunks- you suck
Indians are Red Nigger Skunks (x2)
