You were hiding in an attic and we kicked in your door,

One-way ticket to treblinka -TREBLINKA

You tried to bargain for your life by  
telling us there were more,

One-way ticket to treblinka -TREBLINKA

You gave us all the info but we killed you anyway,

One-way ticket to treblinka -TREBLINKA

Thanks for the tip, you penny-sniffing jew

One-way ticket to treblinka- TREBLINKA

You thought that you could hide but we  
killed your hymie asses

One-way ticket to treblinka- TREBLINKA

All that's left of you are shoes,  
teeth and glasses

One-way ticket to treblinka- TREBLINKA

It's a white mans planet, and theres  
no jews allowed

One-way ticket to treblinka- TREBLINKA

Your earthly remains are floating on a cloud

One-way ticket to treblinka -TREBLINKA
