Run- I've got a chainsaw
Run- I've got David Duke's phone number
Run-My father owns a rope factory
Run- My uncle's the grand dragon

Run, nigger-nigger, run, nigger-nigger, run! run! (x3)

Run, nigger-nigger, run, nigger_nigger, run!

Run-I've got a bucket of tar
Run-And it looks like you
Run-My friend has some feathers
Run- You're gonna fucking die

Run, nigger-nigger, run, nigger-nigger, run! run! (x3)

Run, nigger-nigger, run, nigger-nigger, run!
