You always say how you hate the jew
But they sell records for less than you,
We're gonna blow the whistle on you

Because you're a White Power Jew

White Power Jew, White Power Jew
You're the parasite, israelite

We won't give cash to you, white power jew,
You try to brainwash us to think you're great,
But you sell your stuff at a ridiculous rate,
Your markups are a jewish amount
All you care about's your bank account

White Power Jew, White Power Jew
You're the parasite, israelite

We won't give cash to you, white power jew,
You always say how you hate the jew,
But they sell records for less than you,
We're gonna blow the whistle on you,
Because you're a white power jew

White Power Jew, White Power Jew
You're the parasite, israelite

We won't give cash to you, white power jew!
