"I Never Will Marry"

They say that love's a gentle thing
To me, brought only pain
Since the only man I ever loved
Is gone on the morning train

CHORUS:

I never will marry
I'll be no man's wife
I will remain single
For the rest of my life

Now, the train pulled
out, the whistle blew

With a long and lonesome moan
He's gone, he's gone
like the morning dew
And left me all alone

CHORUS

INSTRUMENTAL BRIDGE

in the winter wind
And a change in the clouds' design
There's many a change in the
young girl's heart
But never a change in mine

CHORUS (2x)
