On the road, travelling with my band  
I was so exhausted from one nightstands  
I caught your smile and you threw me some heat  
Well, I liked your style; it was wrong but sweet

I fell for you right then and there  
I didn't care who knew, I'd follow you anywhere

Gimme, gimme, gimme, all night long  
Gimme, gimme, gimme, keep playing that love song  
(that love song)  
Gimme, gimme, gimme, all night long  
Gimme, gimme, gimme, keep playing that love song

When we met, I had been alone  
I was more than ready to live on my own  
Then your song touched me deep inside  
Until you came along, I wasn't satisfied

I fell for you (fell for you)  
Right then and there (right then and there)  
I didn't care who knew (didn't care who knew)  
I'd follow you anywhere

Gimme, gimme, gimme, all night long  
Gimme, gimme, gimme, keep playing that love song  
(that love song)  
Gimme, gimme, gimme, all night long  
Gimme, gimme, gimme, keep playing that love song

Gimme, gimme  
Gimme, gimme

I fell for you right then and there  
I didn't care who knew, I'd follow you anywhere

Gimme, gimme, gimme, all night long  
Gimme, gimme, gimme, keep playing that love song  
(that love song)  
Gimme, gimme, gimme, all night long  
Gimme, gimme, gimme, keep playing that love song

Repeat until fade out
