Moonlight, kissing on a violet shore
Dreaming in the color of the dress you wore
I wake up harmed and wanting more about you...

I don't wanna feel alive
I don't wanna feel naked
I don't wanna feel alive, without you

When the dawn breaks,
I can feel the heat of your sun risin',
risin' up inside me
I can feel the crush of your heart breakin'..
When the dawn breaks,
I can feel the heat of your sun risin',
risin' up inside me
I can feel the waves of your heart rushin'...
Rushing over me
Rushing over me
Rushing over me
Rushing over me

The figures stop moving
And the subway dies
The clock stops ticking and the traffic sighs
I can't keep living these strange goodbyes
I need you (I need you)

I don't wanna feel alive
I don't wanna feel naked
I don't wanna feel alive
Without you

When the dawn breaks,
I can feel the heat of your sun risin',
risin' up inside me
I can feel the crush of your heart breakin'..
When the dawn breaks,
I can feel the heat of your sun risin',
risin' up inside me
I can feel the waves of your heart rushin'....
Rushing over me

Rushing over me
Rushing over me
Rushing over me

When the dawn breaks,
I can feel the heat of your sun risin'
Risin' up inside me,
I can feel the crush of your heart breakin'..
When the dawn breaks,
I can feel the heat of your sun risin'
Risin' up inside me,
I can feel the waves of your heart rushin'

Rushin' over me
Rushin' over me
Rushin' over me
Rushin' over me
