I've got your picture of me and you  
You wrote "I love you" I wrote "me too"  
I sit there staring and there's nothing else to do  
Oh it's in color  
Your hair is brown  
Your eyes are hazel  
And soft as clouds  
I often kiss you when there's no one else around

I've got your picture, I've got your picture  
I'd like a million of you all 'round myself  
I want a doctor to take your picture  
So I can look at you from inside as well  
You've got me turning up and turning down  
I'm turning in I'm turning 'round

I'm turning Japanese  
I think I'm turning Japanese  
I really think so  
Turning Japanese  
I think I'm turning Japanese  
I really think so  
I'm turning Japanese  
I think I'm turning Japanese  
I really think so  
Turning Japanese  
I think I'm turning Japanese  
I really think so

I've got your picture, I've got your picture  
I'd like a million of them all 'round myself  
I want a doctor to take your picture  
So I can look at you from inside as well  
You've got me turning up I'm turning down  
I'm turning in I'm turning 'round

I'm turning Japanese  
I think I'm turning Japanese  
I really think so  
Turning Japanese  
I think I'm turning Japanese

I really think so  
I'm turning Japanese  
I think I'm turning Japanese  
I really think so  
Turning Japanese  
I think I'm turning Japanese  
I really think so

No sex, no drugs, no wine, no women  
No fun, no sin, no you, no wonder it's dark  
Everyone around me is a total stranger  
Everyone avoids me like a cyclone Ranger  
Everyone...

That's why I'm turning Japanese  
I think I'm turning Japanese  
I really think so  
Turning Japanese  
I think I'm turning Japanese  
I really think so  
I'm turning Japanese  
I think I'm turning Japanese  
I really think so  
Turning Japanese  
I think I'm turning Japanese  
I really think so

[guitar]

Turning Japanese  
I think I'm turning Japanese  
I really think so  
I'm turning Japanese  
I think I'm turning Japanese  
I really think so  
Turning Japanese  
I think I'm turning Japanese  
I really think so, think so, think so  
I'm turning Japanese  
I think I'm turning Japanese  
I really think so
