Mother of mysteries - lesbian dance  
Callous and cold without scent  
Sister of solitude - damsel of death  
Perverted by deep discontent  
Bitch Witch  
Widow child of harlot schizo  
Dutchess of desires  
Bitch the black queen marches  
Wilder than the fires  
Power whore  
Bitch Witch

Nymph necromancer - virgin of light  
Sent forth to sicken and please  
Princess of pleasure - lover and killer  
None from her web are released  
Power whore - Take me through the night  
Driven by her quest for flesh  
Her appetite grows strong  
Temptress for the ranks of hell  
The place where she belongs
