From blackened flame  
Ye shall remain  
Ballistic brethren  
Dark souls in pain

Defecate on the teachings  
Burn into the dirt  
Suffocate all the preachings  
Bury them in earth

All hail  
Black flame of Satan  
All hail  
Black flame of Satan  
Black flame of Satan

From frozen fire  
Black angels choir  
Safety in numbers 666  
Worship the liar

Defecate on the teachers  
Burn into the dirt  
Suffocate all the preachers  
Bury them in earth

All hail  
Black flame of Satan  
All hail  
Black flame of Satan  
Black flame of Satan

By candle light  
All hail ye tonight  
The master takes a bow  
From flame of life

Defecate on the teachings  
Burn into the dirt  
Suffocate all the preachings  
Bury them in earth

All hail  
Black flame of Satan  
All hail  
Black flame of Satan  
Black flame of Satan
