I'm alive but dead, awake but asleep
As friend gather round and mourners they weep
My mind thinks of all the things I have done
My body is cold but my heart beat goes on
And on.....and on

As they lower me down into that hole in the ground
I scream out for help but they hear not a sound
I fear at the lid, my fingers they bleed
Is this happening to me or is it just a dream
Summon the dead.....
Baphomet's call.....
Blood on my hands.....

"Let me out of here"

My bones are decayed, my flesh it doth rot
I'm lying in silk, take the lid off this box
My lungs gasp for air, my eyes scream for sight
I promise the rise of my body this night
Summon the dead.....
Baphomets call.....
Blood on my hands.....
Screaming in torment.....
I'm felling you all.....
Take heed of my plea.....
Answer my call.....
I'm gonna be free.....
LOVE AMONGST THE DEAD

At night the corpses rise
And leave a srench of rotten life
Eagerly the stagger forth
To find a friend to gripe
Copulating in the grounds
Of their eternal home
Regurgitate ejaculations
On their old tomb stones

Dead Love - There's love amongst the
Dead Love - There's love amongst the dead

Licking at their blackened limbs
the zombie pleasure cries
Lucifer's immortal glory
Watch them swapping eyes
Writhing in a mound of death
Maggots under the flesh
Digging fresh arrival thus
To lovingly caress

Dead Love - There's love amongst the
Dead Love - There's love amongst the dead

Go home you necromancers
Find true the words I've said
No place for mortal magic
There's love amongst the dead

The walls around the cemetery
Built high forever strong
Church of fools demand this
For the dead don't die for long
At the dawn of darkness
The keeper takes his keys
Locking out the living
For the dead don't want to leave

Dead Love - There's love amongst the
Dead Love - There's love amongst the dead
