You want to be the master blaster  
Killing yourself to win  
Moulding a god of sin  
You let your body sweat burn faster  
You've got the madness and the glory  
You're living your own story  
And now your heart's pounding blood  
You know it does you good  
Increasing mindless pain  
Krakin Up - Krakin Up - Krakin Up - Krakin Up  
You soon become a demon vulture  
You put yourself through hours of torture  
Krakin Up - Krakin Up - Krakin Up - Krakin Up  
You're getting greedy for gain  
Killing yourself to win  
You're always living your own story  
You've got the madness and the glory  
You want to be the master blaster  
And now your heart's pounding blood  
You know it does you good  
Moulding a god of sin

You let your body sweat burn faster  
Krakin Up - Krakin Up - Krakin Up - Krakin Up
