Midnight, six sixty six
Torment, bestial sex
Mother is screaming in pain
Father, rules Hell's domain

I don't want to be born
I don't want it
Leave me in Hell

Danger, gold pentagram
Sacrifice, full blooded ram
Karma, Hell bears its child
Reaper sharpens his scythe

I don't want to be born
I don't want it
Leave me in Hell, oh, oh

Let's go
Hail satanic majesties

Sabbath, my crucifix
Evil, chief satanist
Demon, possessed by Hell

I don't want to be born
I don't want it
Leave me in Hell
Leave me in Hell

Master, cast me a spell
