Remember me, I was your teacher's pet at school
You taught me everything and how we broke the rules
Well now I'm back to show you everything I've learned
You play with fire you know you're getting burned

Pre-chorus: Get on down, teacher, teacher get on down
Come on, get on down, teacher , teacher get on down

She's got a fire raging in between her thighs
I got a hose to put it out, try this for size
Well, teacher swallowed every inch of floppy love
Guess this is what they mean by "fits like a glove"

Repeat pre-chorus

Chorus: Skool Daze, teacher taught me everything
Skool Daze, one and one is two
Skool Daze, when I heard the school bell ring
Skool Daze, there's nothin' she won't do
She sees how hard it gets when she lifts up her dress
She licks her lips and says now put it to the test
She goes down faster than a sinking ship at sea
I don't need rescue because she's going down on me

Repeat Pre- chorus and Chorus

You got me poisoned teacher, beging me for more
Up goes her skirt again, it's harder than before
Wrap those legs around me teacher, what else can I
do?
I got this feeling..... AHHHHHHHHHHHHHHHHHH!!!!!!!

Repeat Chorus
