Somewhere in time we were born
Brought blood, lust, hatred and scorn
Sorry now you trusted me
Now I command that you get down on your knees for

Hell the deceiver, Satan's child
You're a believer and we're going wild

Put away all your virtues
Stop your climbing the walls
Just sign your name on the paper
We'll have ourselves a ball

Was it the battle of envy?
You were so mighty and brave
But your foolish compulsions
Sent you to the grave

Hell has deceived you
You were so blind
Just like all mortals
Just loose your mind

Somewhere in time we were born
Brought blood, lust, hatred and scorn
Sorry, now you trusted me
Now I command that you get down on your knees for

Hell the deceiver, Satan's child
You're a believer and we're going wild

Put away all your virtues
Stop your climbing the walls
Just sign your name on the paper
We'll have ourselves a ball

Was it the battle of envy?
You were so mighty and brave
But your foolish compulsions
Sent you to the grave

Hell has deceived you

You were so blind
Join venoms legions
'Cause we're going wild

We're gonna destroy you
