Good Golly said little Miss Molly
When she was rockin' in the house of the blue light
Tooty Fruity was, oh, so roddy
Rockin' to the east and west

Loucile was, oh, so real
When she didn't do her daddy's will
Come on baby, drive me crazy

'Cause I'm a speed king, hear me sing
I'm a speed king, see me fly

Saturday night and I just got paid
Gonna fool about, now ain't gonna save
People gonna rock, people gonna roll
Gonna have a party to save my soul

Hard hearted woman and soft hearted man
Been causin' trouble since it all began
Take a little rice, take a little beans
Gonna rock and roll down to New Orleans

I'm a speed king, hear me sing
I'm a speed king, see me fly

Good Golly said little Miss Molly
When she was rockin' in the house of the blue light
Tooty Fruity was, oh, so roddy
Rockin' to the east and west

Hard hearted woman and soft hearted man
Been causin' trouble since it all began
Take a little rice, take a little beans
Gonna rock and roll down to New Orleans

I'm a speed king, hear me sing
I'm a speed king, see me fly

I'm a speed king, hear me sing
I'm a speed king, see me fly

I'm a speed king, hear me sing

I'm a speed king, see me fly
