Evil intentions - no apprehensions  
Never repents when - consumed with greed  
A dark alliance - forget compliance  
Ever defiant - that's how it's seen

Stab you in the back  
Stab you in the back  
Stab you in the back  
Stab you in the back

A vicious vampyr - burning in hellfire  
Religious satire - won't save your soul  
Forget the passion - accursed lies and  
He takes it all on - then you're the fool

Stab you in the back  
Stab you in the back  
Stab you in the back  
Stab you in the back

Stab you in the back  
Stab you in the back  
Stab you in the back  
Stab you in the back
