I am the evil one
The tempter, sinner man
Archfiend, Diabolus
Hail Leviathan

Omnipotence Lucifer
Asmodeus, my soul
Feeding off inhuman life
Blood of liquid gold

Evil one
Flesh and bone
Evil one
Set in stone

I, the Royal Prince of Hell
Command infernal names
Lightning fills my ancient bones
Chithulu rise in flames

Dominating centuries
Consume the everlasting
Raising ashes up from earth
I, Satan, head rising

Evil one
Flesh and bone
Evil one
Cast in stone

Kneel
I kneel to no man
Rejoice
I see through your cries

Believe
You know not the truth
Blasphemer
Jesus fucks you

Crucify the holy man
No sermons of a fool

Universe, infinity
Behold, evil rules

Ever pregnant mysteries
Ahmoon commands the birth
Howling incantations
I rise from blackened earth

Evil one
Flesh and bone
Evil one
Carved in stone
The evil one
