I found myself today
Oh, I found myself and ran away
Something pulled me back
A voice of reason, I forgot I had
All I know is you're not here to say
What you always used to say
But it's written in the sky tonight

So I won't give up
No, I won't break down
Sooner than it seems life turns around
And I will be strong
Even if it all goes wrong
When I'm standing in the dark I'll still believe
Someone's watching over me

I've seen that ray of light
And it's shining on my destiny
Shining all the time
And I won't be afraid
To follow everywhere it's taking me
All I know is yesterday is gone
And right now I belong
To this moment, to my dreams

It doesn't matter what people say
And it doesn't matter how long it takes
Believe in yourself
And you'll fly high
And it only matters how true you are
Be true to yourself and follow your heart

So I won't give up
No I won't break down
Sooner than it seems life turns around
And I will be strong
Even if it all goes wrong
When I'm standing in the dark I'll still believe...

That I won't give up
No I won't break down

Sooner than it seems life turns around
And I will be strong
Even when it all goes wrong
When I'm standing in the dark I'll still believe...

That someone's watching over,
Someone's watching over,
Someone's watching over me
(Yeah yeah, oh oh...)
Someone's watching over me
