(No pain, no tears)  
(Don't hurt no more)

You broke my heart  
Dear, you said goodbye  
And when you left me  
You made me cry

I found a new love  
Yes, a true love  
Don't hurt no more  
(Don't hurt no more)

The other day  
I passed your door  
I didn't look back  
Just like before

You've had your chance, dear  
Kill all romance, dear  
Don't hurt no more  
(Don't hurt no more)

If I had known  
Right from the start  
It would have been easy  
For us to part

But I built my whole  
Whole life on you  
And then you told me  
We were through, oh, oh

You had me walking  
Pacing the floor  
But now I'm walking  
Out of the door

I found a new love  
Yes, a true love  
Don't hurt no more

(No hurt, no tears)  
(Don't hurt no more)
