Makin' My Way (Any Way That I Can  
Performed by Billie

Nothing's gonna stop me this time  
Nothing's gonna stop me this time  
Nothing's gonna stop me this time

Been on the losin' side  
This time I'll turn the tide  
This time I won't give up, no baby  
This time I'm in control  
I want the whole world to know  
Ain't nothing gonna slow me down this time  
This weird faith is on my side  
And I'm givin' all I've got, yeah baby  
Climbin' each step straight to the top

And if the river's too wide  
I'll get through it  
And if the mountain's too high  
It won't stop this dream of mine  
I'm on my way  
I've got a plan  
I'm makin' my way  
Any way that I can

So many times I've played  
In someone else's game  
This time the game is changed, oh baby  
This time I make the rules  
I won't be nobody's fool  
Ain't no one gonna hold me down this time  
These words are gonna be mine  
There's a brand new strength I've found, yeah  
Ain't looking back, ain't backing down

And if the river's too wide  
I'll get through it  
And if the mountain's too high  
It won't stop this dream of mine  
I'm on my way

I've got a plan  
I'm makin' my way  
Any way that I can

And if the river's too wide  
I'll get through it  
And if the mountain's too high  
It won't stop this dream of mine  
I'm on my way  
I've got a plan  
I'm makin' my way  
Any way that I can

This time around  
I'll stand my ground  
I'll live my dream  
I realize the power lays deep in me  
Nothing's gonna stop me this time  
I'm on my way, yeah

Been on the losin' side  
This time I'll turn the tide  
This time I won't give up  
I want the whole world to know  
Ain't nothing gonna slow me down this time  
This weird faith is on my side  
And I'm givin' all I got, yeah baby  
Climbin' each step straight to the top

And if the river's too wide  
I'll get through it  
And if the mountain's too high  
It won't stop this dream of mine  
I'm on my way  
I've got a plan  
I'm makin' my way  
Any way that I can
