Vacation

Performed by Vitamin C

Come on, come on, come on, let's go  
Come on, come on, let's go  
Come on, come on, come on, let's go  
Come on, come on, let's go

Vacation

Need a little sun to break up all the frustration  
And turn it into love  
Ain't nobody gonna tell us what we're gonna do  
Because today it's up to you

Temptation coming up to me

A little relaxation and I'll be great to be  
Come on and we can, we can lie at the bay  
Don't be late  
It's gonna start now

Kick it back, kick it back, kick it back to the track  
Kick it back, kick it back, kick it back to the max

Vacation's where I wanna be  
Party on the beach where the fun is free  
We don't need a holiday  
Let's start to celebrate  
Cause I need a break  
I need a vacation

Vibrations

Need to get me some and drive out all my  
complications  
And turn them into love  
Ain't nobody gonna tell us where we gonna be  
Because today, today it's you and me

Vacation's what I wanna do

Party on the beach  
Fun for me and you  
We don't need a holiday

Let's start to celebrate  
Repeat after me  
I need a vacation

Let's go, let's go  
Let's go, let's go

I wanna be where the fun is free  
So come with me

Vacation's where I wanna be  
Party on the beach where the fun is free  
We don't need a holiday  
Let's start to celebrate  
Cause I need a break  
I need a vacation

Vacation's where I wanna be  
Party on the beach where the fun is free  
We don't need a holiday  
Let's start to celebrate  
Repeat after me  
I need a vacation

(I need a) vacation  
(Come on and) vacation  
(I need a) vacation  
(Come on) vacation  
Lets go

Vacation's where I wanna be  
Party on the beach where the fun is free  
We don't need a holiday  
Let's start to celebrate  
Cause I need a break  
I need a vacation

Vacation's where I wanna be  
Party on the beach where the fun is free  
We don't need a holiday  
Let's start to celebrate
