Well, I'm tellin' you man, I ain't no fool  
If you come along with me, you gotta be dead cool  
'Cause we're rockin' and a-rollin' on the Marie Celeste  
'Cause dead pirate cats really know how to rock the  
best

Tell your moms and pops, you won't be late  
They don't matter 'cause we just can't wait  
'Cause we're rockin' and a-rollin' on the Marie Celeste  
'Cause dead pirate cats really know how to rock the  
best

Now, all you cats like to stroll and bop  
Come with me and dance till you drop  
'Cause we're rockin' and a-rollin' on the Marie Celeste  
'Cause dead pirate cats really know how to rock the  
best

Now, all you cats like to stroll and bop  
Come with me and dance till you drop  
'Cause we're rockin' and a-rollin' on the Marie Celeste  
'Cause dead pirate cats really know how to rock the  
best

Well, I'm tellin' you man, I ain't no fool  
If you come along with me, you gotta be dead cool  
'Cause we're rockin' and a-rollin' on the Marie Celeste  
'Cause gone Polecats really know how to rock the best
