[Shouted]: Ice? Any ice?

Any ice today, lady?
It's nice today, lady;
How about a piece of ice today?
Oh, it's only a quarter,
You know that you oughter
Hurry up before it melts away!
Yes, ma'am, yes, ma'am,
Not on your linoleum;
No, ma'am, no, ma'am,
Giddy-up, Napoleon!
Your pop is a nice man,
And so's your old iceman,
Oh, lady, be good to me!

Any ice today, lady?
It's nice today, lady;
How about a piece of ice today?
Tell me why you don't order
Some Eskimo water,
Though your credit's good, I wish you'd pay!
Yes, ma'am, yes, ma'am,
I'll give you a premium;
No, ma'am, no, ma'am,
Not enriched uranium;
I feel so silly;
I'll hand you a lily,
Oh, lady, be good to me!

[Shouted]: Any ice? Any ice? Ice!
