The sky could fall down any day
Nothing lasts forever anyway
As long as I've got you here with me
We ok we ok

In my dreams all the stars should fall
You the first person I would call
We'll just sit back and watch it all
We ok we ok

I've met this girl before, it was long ago
She was so beautiful, she looked like Tamado
She's from the tougher Taffa, an African ghetto
But she dance like everything's alright
Giving me love, keeping me up all night

Abuja, we ok
In Accra we ok
In Bamako we ok
In Cairo we ok
In Dakar we ok
In Freetown we ok
Kampala we ok
Kinshasa we ok

[â€¦]

Who said we don't dance no more? Someone point him
out
You! Who said we don't move no more?
Someone show him how we move

Who said we don't dance no more? Someone point him
out
You! Who said we don't move no more?
Move move move

[â€¦]

We dancing kinda close
I'm kinda tryin' to applause

She turned around, I froze
How could I oppose?
She makes me suffer suffer
Then give me antidotes
And when she go low she go so low
You never wanna go solo again

Asmara we ok
Addis Ababa we ok
Nairobi we ok
Mogadishu we ok
Mobutu we ok
Manrovia we ok
In Lagos we ok
In Jomo we ok

[â€¡]
