Don't think me unkind, words are hard to find
They're only check's I've left unsigned
From the banks of chaos in my mind
And when their eloquence escapes me
Their logic ties me up and rapes me

De do do do de da da da is all I want to say to you
De do do do de da da da, their innocence will pull me
through
De do do do de da da da is all I want to say to you
De do do do de da da da, they're meaningless and all
that's true

Poets, priests and politicians have words to thank for
their positions
Words that scream for your submission
And no-one's jamming their transmission
'Cos when their eloquence escapes you
Their logic ties you up and rapes you

De do do do de da da da is all I want to say to you
De do do do de da da da, their innocence will pull me
through
De do do do de da da da is all I want to say to you
De do do do de da da da, they're meaningless and all
that's true

De do do do de da da da is all I want to say to you
De do do do de da da da, their innocence will pull me
through
De do do do de da da da is all I want to say to you
De do do do de da da da, they're meaningless and all
that's true
