Every breath you take  
Every move you make  
Every bond you break  
Every step you take  
I'll be watching you.

Every single day  
Every word you say  
Every game you play  
Every night you stay  
I'll be watching you.

Oh can't you see  
You belong to me?  
How my poor heart aches  
with every step you take.

Every move you make  
Every vow you break  
Every smile you fake  
Every claim you stake  
I'll be watching you.

Since you've gone  
I've been lost without a trace.  
I dream at night,  
I can only see your face.  
I look around  
but it's you I can't replace.  
I feel so cold, and I long for your embrace  
I keep crying baby, baby please...

Every move you make  
Every vow you break  
Every smile you fake  
Every claim you stake  
I'll be watching you.
