"Fall Out"

I never thought of leading
I've got my own machine
And I've paid my dues all along
All set for breaking
When I missed those other people
'Cause I knew that I was really alone
Fall out
Fall out with all the leaders and gangs
Fall out
Fall out with all the leaders and gangs
I saw my education
It was my indoctrination
Just to be another parking machine
All my sense was breaking
When I missed those other people
'Cause I knew that I was not very clean
Fall out
Fall out with all the leaders and gangs
Fall out
Fall out with all the leaders and gangs
[Incomprehensible]

Fall out

Fall out with all the leaders and gangs

Fall out

Fall out with all the leaders and gangs

Fall out
