They say ev'rything can be replaced  
Yet every distance is not near,  
So I remember every face  
Of everyman who put me here  
I see my light come shining  
From the west unto the east  
Any day now any way now,  
I shall be released.

They say ev'ry man needs protection  
They say ev'ry man must fall  
Yet I swear I see my reflection  
Some place so high above this wall  
I see my light come shining  
From the west unto the east

Any day now any way now,  
I shall be released.

Standing next to me in this lonely crowd  
Is a man who swears he's not to blame  
All day long I hear his voice shouting out so loud  
Crying out that he was framed  
I see my light come shining  
From the west unto the east  
Any day now any way now,  
I shall be released.
