My daddy's boots don't fit me
'Cause I'm bigger than him
He says I make him sick now
I'm bigger than him
They say there's nothin' worth achievin'
All your dreams are just deceivin'
You've locked the doors on your good livin'
An' you told me to wait
You've got me backed into a corner
You're makin' me haze
I say there's nothin' worth achievin'
All your dreams are just deceivin'
They say there's nothin' worth achievin'
All your dreams are just deceivin'
Throwin' stones that are reelin'
From a reasonable light
You muscle in when I have a party
Ready to fight
I say there's nothin' worth achievin'
All your dreams are just deceivin'
Nothin'

Nothin'

Nothin'
