There is no political solution to our troubled evolution
Have no faith in constitution, there is no bloody
revolution

We are spirits in the material world, are spirits in the
material world
Are spirits in the material world, are spirits in the
material world

Our so-called leaders speak with words they try to jail
you
They subjugate the meek but it's the rhetoric of failure

We are spirits in the material world, are spirits in the
material world
Are spirits in the material world, are spirits in the
material world

Where does the answer lie ? Living from day to day
If it's something we can't buy, there must be another
way

We are spirits in the material world, are spirits in the
material world
Are spirits in the material world, are spirits in the
material world
Are spirits in the material world, are spirits in the
material world
Are spirits in the material world, are spirits in the
material world
