Sleep lay behind me like a broken ocean
Strange waking dreams before my eyes unfold
You lay there sleeping like an open doorway
I stepped outside myself and felt so cold

Take a look at my new toy
It'll blow your head in two, o boy
Truth hits everybody
Truth hits everyone

I thought about it and my dream was broken
I clutch at images like dying breath
And I don't want to make a fuss about it
The only certain thing in life is death

Take a look at my new toy
It'll blow your head in two, o boy
Truth hits everybody
Truth hits everyone

Where you want to be
Won't you ever see

Truth hits everybody
Truth hits everyone
