"Walking In Your Footsteps"

Fifty million years ago, you walked upon the planet so
God of all that you could see, just a little bit like me
Walking in your footsteps, walking in your footsteps
Walking in your footsteps, walking in your footsteps

Hey hey, Mr. dinosaur, you really couldn't ask for more
You were God's favorite creature
But you didn't have a future
Walking in your footsteps, walking in your footsteps
Walking in your footsteps, walking in your footsteps

Hey hey, mighty brontosaurus
Don't you have a lesson for us
Thought your rule would always last
There were no lessons in your past
You were built three stories high
They say you would not hurt a fly
If we explode the atom bomb
Will they say that we were dumb
We're walking in your footsteps, walking in your
footsteps
Walking in your footsteps, walking in your footsteps

They say the meek shall inherit the Earth
They say the meek shall inherit the Earth

Walking in your footsteps (footsteps, footsteps)
Walking in your footsteps
Walking in your footsteps, walking in your footsteps
Walking in your footsteps (footsteps, footsteps)
Walking in your footsteps
Walking in your footsteps, walking in your footsteps
