[Intro - Oozeela]

I have so many memories  
Of when you would hurt me  
You probably don't remember me  
Because back then I was poor and dirty  
When I pulled up on the block  
After Basketball  
I had no locks you wouldn't call  
But now when you feel cold  
You want my sweater  
And now I'm gone forever

[Young Mav]

She says love me, but she loves me not  
Cause Mami never loved me till my sales was hot  
I used to love her when I worked at HMV  
But it wasn't mutual till MTV  
BPM, and Much played the video, WOW  
Now you wanna catch up cause you miss me now  
Invite you to shows but you'd never come  
But when we opening, you want yourself plus one  
Succeed or fail, sell one or one mil  
If your love was honest, you'd be there regardless  
You ain't looking for love you want attention  
You want a man who says you leave me breathless  
You want a man who'll tell you you're important  
Then when he phones screen your calls and ignore him  
Now I don't know what kind of dudes you date  
But I don't quote Jon B or Baby Face

[Chorus - Oozeela - 1X]

Kiss mi neck back  
If you think you hot

[Back Up Vocalists]

Gal you too Stoosh

[Chorus - Oozeela]

Mi wi tell you  
Seh you not

[Back Up Vocalists]  
Gal you too Stoosh

[Chorus - Oozeela]  
Hitey-titey  
You pretend to be

[Back Up Vocalists]  
Gal you too Stoosh

[Chorus - Oozeela]  
How you think seh  
You a queen

[Dirt Gritie]  
I only asked for dance, why'd you turn up your nose  
Well miss, I don't stand next to hoes  
Unless we running the train, and I'm next to go  
Only thing on your mind is testicals  
And how many credit cards, does that man hold?  
Asking brothas for a drink when'd you get so bold?  
Hmm, let me think, hell no  
Selfish chick, I wish I never holla'd at yo  
She's well traveled, and I don't mean she travels a lot  
You must be gypsy the way that you be reading them  
cocks  
Believe it or believe it not, we from the same block  
That's why I holla'd at Ma  
But she too stuck up, face skin up and bruck up  
Forget your manners, that's not how you were brought  
up  
Who would've thought you's a material girl  
But if creams what you're after then I'm scared of you  
girl

[Chorus - Oozeela - 1X]  
Kiss mi neck back  
If you think you hot

[Back Up Vocalists]  
Gal you too Stoosh

[Chorus - Oozeela]  
Mi wi tell you  
Seh you not

[Back Up Vocalists]  
Gal you too Stoosh

[Chorus - Oozeela]

[Back Up Vocalists]

Now you looking lovely, why you acting all stoosh

Is it cause you got two kids and you still look so good

Or is it cause you got men try'na make you wifey

Well let me tell you something, them man nuh like me

Yes your looks is what attracted me

But your mind's turning this to a catastrophe

At first you laugh at me, and now you see I got game

Now you wanna come and give me your real name

You have two pickney, and three baby fa'das

Now you wan come say it's mine

Or you wan come waist my time

At first I really thought you wanted me

I guess you just want to live for free, ay girl

[Bridge - Oozeela - 1X]

Pop your balloon sky walker

And come back to the earth

When you shit gold and diamonds

Sell it and buy a new purse

For what it's its worth

You bleed, when I bleed

You pee, when I pee

You cry and I weep

You lie and I steal

You are just but a woman

Only human baby
