It's always the same,
Don't you wish that something would change?

It's always the same,
Don't you itch for something to change?

Have hot chocolate in June,
Put something wild in your tea.
Oh, it's a crisis, I agree,
It's constantly 72 degrees.

It's always the same,
Don't you wish that something would change?

It's always the same,
Don't you itch for something to change?

Have a bath in your swimsuit,
Open your hand you'll get something for free.
Oh, it's a crisis, I agree,
It's constantly 72 degrees.

Aahhhhhh

It's always the same,
Don't you itch for something to change?

It's always the same.
Don't you wish that something would change?

Always the same,
Don't you itch for something to change?

It's always the same,
Don't you wish that something would change?
