Try to go to sleep,
Try, try baby.
Try to go to sleep,
Try, try baby.

Try to go to sleep,
Try to slow your breathing.
Try to go to sleep,
Try to slow your breathing.

This burden that has followed you
Has fallen now into the sea.
Just lay your head upon my chest
And listen to my heartbeat.

Try to go to sleep,
Try to slow your breathing.
I'll rock you on my knee,
Sing you through the morning.

This burden that has followed you
Has fallen now into the sea.
Just lay your head upon my chest
And listen...
Listen to my heartbeat.

Try to go to sleep,
Try, try baby.
Try to go to sleep,
Try, try baby.
Rock you on my knee,
Sing you through the morning.
