### "London Pride"

London Pride has been handed down to us.  
London Pride is a flower that's free.  
London Pride means our own dear town to us,  
And our pride it for ever will be.  
Woa, Liza,  
See the coster barrows,  
Vegetable marrows  
And the fruit piled high.  
Woa, Liza,  
Little London sparrows,  
Covent Garden Market where the costers cry.  
Cockney feet  
Mark the beat of history.  
Every street  
Pins a memory down.  
Nothing ever can quite replace  
The grace of London Town.

There's a little city flower every spring unfailing  
Growing in the crevices by some London railing,  
Though it has a Latin name, in town and country-side  
We in England call it London Pride.

London Pride has been handed down to us.  
London Pride is a flower that's free.  
London Pride means our own dear town to us,  
And our pride it for ever will be.  
Hey, lady,  
When the day is dawning  
See the policeman yawning  
On his lonely beat.  
Gay lady,  
Mayfair in the morning,  
Hear the footsteps echo in the empty street.  
Early rain  
And the pavement's glistening.  
All Park Lane  
In a shimmering gown.  
Nothing ever could break or harm  
The charm of London Town.?
