Out of a small hole in the ground
Shove my body through
Head first - oxygen
Strong arms, legs and shoes

Dark skies like silvered slate
Giant purple mountain crags
Raindrops as big as my fist
Falling on my face

Molders to the ground
Clenched in water
Skin is waiting
Transparent now
Translucent runner

Run, Annie, run

Pressed, pump my fists
Tense, trust my legs
Feet pounding out the sounds
Of a thousand angry words and tearing down

Deep, dark and beautiful
Urgent, lovely greens
I can only feel this place
I can only hear my feet

Molders to the ground
Clenched in water
Skin is waiting
Transparent now
Translucent runner

Run, Annie, run

Five fingers and large, large hands
At the end of my bed
Do I jump into the middle of it?
Think about turning back

Dive inside

Dive inside
I will run, Annie, run
Run, Annie, run
Run, I- I run
