Green gum lips so pink, hot neon pen
Flash forward, take a picture of me
I'm the prize at the end

Swim the rainbow
Drown in paint and sky
I meet my melody
Feeling she's fascinating

I'm super loud
Like sonic boom
Like racing trains
Like bells at noon

I'm super loud
Like a sonic boom
Like racing train
Like bells at noon

Green gum so pink, hot neon pen
Flash forward, take a picture of me
I'm the prize at the end

Swim the rainbow
Drown in paint and sky
I meet my melody
Feeling she's fascinating

I'm super loud
Like sonic boom
Like racing trains
Like bells at noon

I'm super loud
Like sonic boom
Like racing train
Like bells at noon

I'm super loud
Like sonic boom
Like racing trains
Like bells at noon

I'm super loud
Like sonic boom
Like racing trains
Like bells at noon

Sonic boom, sonic boom
Sonic boom, sonic boom
Sonic boom, sonic boom
Sonic boom, sonic boom

I'm super loud
Like sonic boom
Like a racing train
Like bells at noon

I'm super loud
Like sonic boom
Like racing trains
Like bells at noon

I'm super loud
Like sonic boom
Like a racing train
Like bells at noon

I'm super loud
Like sonic boom
Like racing trains
Like bells at noon

Super loud, sonic boom
Racing trains, bells at noon
Super loud, sonic boom
Racing trains, bells at noon

Super loud, sonic boom
Racing trains, bells at noon
Super loud, sonic boom
Racing trains, bells at noon
